Note Contra

The draft calling for the above information was issued. In reply, the Senior Surgeon states that no reappropriation of funds from any of the sanctioned items in the Current year's Med^l Budget can be made for this charge, and suggests that the extra cost may be debited to general savings.

In Govt Progs: No 7260-1 dated the 21st December, 1896, the entertainment of a ~~midf~~ midwife on pay of Rs 15+5 per mensem was sanctioned for the Gold Fields Disp^y (now Converted into a Civil Hospital and Disp^y) The present recommendation of the Senior Surgeon is made without any reference whatever to the previous Correspondence on the subject, and it is likely, it is respectfully submitted, to lead the Office to blunder. The midwife says in her appln dated the 28th

No 48 in Vol 4 Book 4 Part I.

28th September, 1902, that she is getting only Rs:15/- per mensem. If the allowance of Rs: 57. already sanctioned by the Govt was not given to her, it was an omission made in the Senior Surgeon's Office.

Note Contd

In this Office docket-No 10618
Nos 1623
dated the 9th January, 1903, the Senior Surgeon was requested to report with reference to Govt Procs: of the 21st Decr, 1896, whether the allowance of Rs: 57. per mensem therein sanctioned to the midwife was not given to her and whether the present recommendation for the grant to her of an allowce of Rs: 35. was made in ~~lieu~~ lieu of the allowce of Rs: 57. already sanctioned In reply, the Senior Surgeon now reports that a midwife was entertained on mere pay of Rs 15/-; that as there were changes in the depte of midwives, the allowce sanctioned to the midwife of the late Gold Fields Disply (now Civil Hospital) was not drawn by any one till now; and that because the present midwife who has put in 9 years approved service applied for the grant of an allowce to her on account of dearness of grains &ca on the Fields, he recommended

the

the grant of an allowance of Rs: 3/- per mensem in lieu of the allowance of Rs: 5 already sanctioned in the Govt orders of the 21st Dec 1896. The Senior Surgeon further states that in case Govt Consider that the allowance already sanctioned may be paid to the midwife, he will have no objection to so doing, and requests that the original order of the 21st Dec 1896 may be renewed.

Sir,

In forwarding the enclosed (to be obligingly returned when done with) I have the honor to recommend that under the circumstances represented, the Midwife be granted a small Gold Fields allowance, say Rs.3/- per mensem on account of dearness of provisions. As per recent orders of Government, the pay of these Midwives has been fixed at an uniform rate of Rs.15/- per mensem, hence it is not expedient to alter the present scale.

time were satisfied with their bare pay, save under the present case, there existed no necessity to give the allowance in question.
